FOR IMMEDIATE RELEASE:

April 9, 2020

A message from County Administration:

County operations continue to function with scaled back staffing to adhere to the Governor's orders and other protective recommendations for preventing and eliminating the spread of Coronavirus. Moore County Administration appreciates everyone's patience and understanding of these operational changes which are necessary in getting through this unprecedented event while continuing to provide services. The County will continue providing essential services as efficiently, effectively and timely as possible; we are looking forward to the day when we can resume normal operations and interact with our beloved Moore County citizens in our offices, and in their homes and places of business

Moore County's COVID-19 Dashboard will mirror the general and county specific information provided to the public on the North Carolina Department of Health and Human Services (NCDHHS) website. Moore County's COVID-19 Dashboard can be found at:
